Other information

Is there any other information you wish to provide?

We offer our newly designed Traineeship programme alongside our Study programme.

Our Traineeship programme is an education in training programme with on the job work training that is focused on giving young people the skills and experience that employers are looking for. They are for young people aged 16-19 who are motivated to get a job but lack the skills and experience required by employers.

They are a minimum of 6 weeks and a maximum of 6 months.

They must include a high quality on the job work placement of at least 100 hours.

They will contain embedded employability, Maths & English skills development.

Whichever sector the young person is wishing to go in to, we can provide the Traineeship Programme.

We have a variety of partner premises available across Derbyshire to facilitate Maths, English and employability learning, our tutors are peripatetic. The programme is built to ensure it is responsive to NEET hot spot geography.

Our programme mentors are also peripatetic and will adopt a flexible support service to customers to ensure individual barriers are minimised through personalised support strategies. This includes a mix of Advice and Guidance, job coaching, work based employability support, employer job vacancy carving.

In terms of progression, we offer Apprenticeships in various industries.

--	--

Other information

Juniper offers Traineeships to 16-18 year olds (19-24 with an EHCP) & 19-24 year olds. The primary objective of a Traineeship is for young people to secure sustainable employment, an apprenticeship or a course of further learning. Traineeships are designed to benefit young people that are within six months of being able to progress. Traineeships last for up to a maximum of 6 months and reflect the needs of the student.

Traineeships at Juniper include:

- Work Experience in the occupational area of interest with real employers (the main part of the course)
- GCSEs and Functional Skills in English & Maths
- The skills for the world of work, including CV building, interview techniques, communication and confidence
- Our Progression Promise – which is our commitment to you and your progression route following the Traineeship

Our Apprenticeship programmes are not just for anyone. They are for people who have a passion for learning and are determined to succeed.

Our programmes are designed for those wanting to gain valuable on the job experience whilst gaining the knowledge, skills and behaviours required to be successful and competent in your chosen career area. It's a fantastic way to kick start your career – available to individuals from the age of 16 and over."

Further details can be viewed on our website.

We also offer reward trips for good attendance. Examples, include paintballing, ice skating, mega zone, trips to the cinema etc.
