What is b_line?

b_line is a travel, discount and library card scheme for all young people aged 11 up to their 19th birthday living in Derbyshire and Derby city.

There are two types of card:

- b_line1 – an orange card which proves you qualify for the bus or rail company's under 16 discount.
- b_line2 – a purple card which proves you qualify for 25% off full adult fares.
- both cards give you discounts at around 600 local shops and businesses and library membership.

TRAVEL

- You don't get a travel discount with a b_line1 card but if you get asked, because you may look older, you can use it to prove that you qualify for the bus or rail company's under 16 fare.
- You can use your b_line1 card 24/7 – it's not just for school journeys.
- Once you turn 16 you will automatically be given a b_line2 card which will get you 25% off adult fares on local buses and trains.

LIBRARY

Your b_line1 card gives you library membership at all Derbyshire and Derby city libraries to borrow books, DVDs and e-resources. But first you need to get it activated.

So next time you visit your local library hand over your card to a member of staff and they'll register it for you.

Other useful info

If you lose or damage your card you can get a replacement for £5. Ask at school or go to www.derbyshire.gov.uk/b_line for more details on how to get one.

If you have a disability you may be entitled to a Gold Card. Find out more at www.derbyshire.gov.uk/goldcard

b_line is only for young people living in Derbyshire and Derby city, although you can still get a card if you go to school outside the county. So, if you move you must return it to Derbyshire County Council (b_line), County Hall, Matlock DE4 3AG.
